Extract from the Visitors' book of Shanti Grama Choultry.

At the time of Taluk Jamaba ndy, I inspected the Chattram building. The building is in a very dilapidated condition. - If immediate repairs are not made, I am afraid it may come down The owner Mr. Sreenivasa Murty son of Mr. Narasimha char, was present.

He has collected materials for the work and for compound wall. It is expected that he would do the complete reparis etc., within the period fixed by Government.

Inspected the Chattram building to/day. The building has been improved and the necessary repairs have been executed. A compound has also been put up newly. The Inamdar Mr. Channapatna Narasimhachar's son Mr. C.N. Sreenivasa Murty is taking very keen interest in the improvement of the Chattram and he is very eager to maintain it in a very good condition. He has been instructed to effect further improvements. Some cocoanuts plants may be got planted in front of the building and a small park framed with a decent fencing. A bore-hole latrine is also necessary for the building. Mr.C.N. Sreenivasa Murty has agreed to have it done along with the park.

I visited the Chattram at Shanti Grama to-day and also at the time of the car-festival. All the improvements stated by Mr.G.A. Padmarajiah and the Amildars are done to the building. I am very glad to note that both Vedamoorty Channapatnam Narasimhachar and his son Mr. C.N. Sreenivasa Moorty take keen interest in the up-keep of the Chattram. I hope that it will thrive in their management.

I had seen the building when it was in a dilapidated condition. The building now is in a good condition. The walls, the supports, the scartlings and the roof have all been repaired. New compound wall has been put in. A - couple of windows have been newly fixed for light and air. I am sure the repairs are all most as per estimate prepared by the P.W.Department. I believe he has spent about Rs .500/ or 600/-.

Mr. Sreenivasa Murty has been taking keen interest in this work and I am sure he will continue to do it. On the whole the building has been ,made useful for officers who visit here and the general public.

In view of the fact that Mr. Narasimhachar has improved the building at considerable cost and has rendered it fit for being used by the travellers, I request that in modification of G.O.No.594-7/Muz.73-34-2 dated 19/24th October 1934, the inam lands endowed to the Chattram may be ordered to be continued in Mr. Narasimhachar's enjoyment.

Absent from headquarters)

Letter No. .1631-33 dated 30-4-36 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Subject:- Repairing the Chattram building at Shanthigrama, Hassan Taluk.

With reference to your Memo No.R.Dis.37/35-36 dated 23-8-35 and letter No C 322-35-36 dated 5/7-12-35 and in continuation of my letter No. .1631-33 dated 30-3-36 on the above subject, I have the honor to forward herewith the records ending with the Hassan Sub Division Officer's Memo No.C6-2394-31 dated 14-4-36 and to state as follows.

2. As instructed in your letter No.C.322/35-36 dated 5/7-12-35 the sales held on 31-1-1935 were cancelled on 11-12-1935 and necessary instructions were issued to the Sub Division Officer to refund the sale amount of R 865 to the several bidders.

3. As regards the execution of repairs to the chattram building by Mr. Channapatnam Narasimhachar, the Sub Division Officer was asked to inspect the building in company with the P.W.D. Officer. The Sub Division Officer reported in the first instance after joint inspection with the Assistant Engineer, stating that the building has been repaired at an outlay of about R 400 to R 500 and is fit for use by the travellers and that the enjoyment of the inam lands endowed for the up-keep of this chattram building may be recommended to be continued to Mr. Channapatnam Narasimhachar. As the information regarding the details of the items of work that had to be attended to by the party and also the information as to whether all those items of work have been satisfactorily executed by the party had not been furnished, the records were returned to the Sub Division Officer calling for these details. The Assistant Engineer to whom the matter was referred to by the Sub Division Officer has reported after inspecting the building again on 7-4-36 that all items of work provided in the estimate for R. 371 prepared on 17-7-33 have been carried out with slight modifications in addition to the following extra items of work.

(i) Mud flooring inside the building.

(ii) Burnt brick masonry pillars six in number in the front verandah.

(iii) Mud compound wall at the back yard about 300 ft.

(iv) Introduction of one new wooden pillar in the hall.

(v) Providing and fixing door shutters for the main door, hall, back yard and room doors.

(vi) Using the available released jungle wood materials.

(vii) Providing a sink in the kitchen.

(viii) Tarring wood work in the hall.

The Sub Division Officer also reports that a caretaker has been appointed and the premises of the temple are also kept clean.

3. Under the above circumstances, and in view of the fact that it is reported that the building has now been made fit for use by the travellers, I request you to be so good as to obtain the necessary orders of Government in the matter of the continuance or otherwise of the inam lands granted for its up-keep in the hands of the petitioner Mr. Channapatnam Narasimhachar.

4. All the connected records accompany for reference and kind return when no longer required.
